EEPC India's initiatives & activities in Defence Sector

Defence became a focus segment for EEPC India for export promotion from 2015.

The 'Defence & Security Pavilion' at EEPC India's annual flagship International Engineering Sourcing Show showcased a range of defence technologies and products. Participants were DRDO and its labs, DPSUs (BHEL, BEL, HAL, MIDHANI, etc.).

Regular awareness sessions on:

- Defence technology upgradation schemes such as DRDO-TDF, etc.
- Technology transfer and collaboration opportunities

The first virtual edition of Indian MSME Defence Week was held from 23-26 March 2021 and comprised a series of Vendor Development sessions, international speakers and networking with OEMs, DPSUs, Defense R&D Labs, Startup innovators, etc.

Promotes defence dual use and allied products and equipment in engineering for global exports through various exhibitions and delegations.

Publishes the latest policies, procedures and market trends.
