EEPC India Initiatives in the Defence Sector

Since Year 2021, EEPC India is organising India MSME Defence Week. Over the years, the annual program has seen the participation of around 100+ speakers and over 1000+ participants

EEPC India takes lead in bridging the latest emerging trends and opportunities in Defence sector with engineering MSMEs spread across various clusters in India. It regularly organises and participates in defence equipment related initiatives including:

- Vendor development and sourcing opportunities with Defence PSUs
- Interaction on technology collaboration opportunities
- Exhibition to showcase various Defence PSUs and their opportunities to collaborate with MSMEs
- Disseminating latest trends in policies, rules and market development through its research and publication desk.
